Mmmmmmm Cake! – Tomorrow 5th March
Year 6 will be holding a Cake Day tomorrow to help raise money for its ‘End of Year Gift’ for the school. The cakes and various treats will be available from Ted’s. Shed at recess for 50c

Kindergarten children will be escorted out prior to the rest of the school and guided through the process of selecting and paying for their cakes. If your children are gluten free, there will be a range of items available for them to also choose from.

Any cakes not sold at recess will be available for children to buy at lunchtime.

From the Principal

The Movie and Picnic Evening on Saturday was a great event! Thank you to the parents who volunteered to help, and especially to the wonderful Andrea Whitlock and the P and C Events Committee who organised the night. We really appreciated the support from the community through attendance and sponsorship of the night.

Our Year 6 prefects have been at a Leadership Camp for the Warringah Community of Schools over the past few days. Thank you to Miss Simmons and Mrs Cooper for attending.

Year 5 attended CARES yesterday. This is a program run by members of the police to promote bike safety and bike skills.

Good luck to our school swimming squad on Monday at the Warringah Zone Carnival. Thank you to Mrs Hildebrandt and Miss Simmons for accompanying them.

**Cinema Under the Stars**

What a turnout, and how glorious was the weather. A huge thank you to the Event Committee and Andrea Whitlock for organising such a fabulous evening and to the many parent helpers who lent a hand on the night. We were overwhelmed with offers to help. We have received a written apology from Sooty at Big Screen Hire who was very apologetic about screening the wrong movie. As parents we can sympathise, he brought his first child home from hospital days before our event and was a "little" sleep deprived and looked at the wrong job sheet. He has offered us a discount and asked me to send his apologies to you regarding his mistake. We would like to thank all our local sponsors below for their generous support of the evening and we encourage you to support them in return if you ever need services that they offer, without their generous contributions we would not be able to bring you such a great evening. Thank you to the RFS for allowing us to borrow the popcorn machine for the night and to Izzy and Camp Australia for the face painting. We hope a fun evening was had by all that attended and the Event Committee look forward to bringing you the next event in Term 2…. something for the mums.

Cheers  
Nikki & the Event Committee

Hello Everyone!
We’re about half way through the term now here at Terrey Hills and what a fabulous start to the year it has been for us at Camp Australia OSHC!
It was lovely to see you all at the Movie Night on Saturday & get the chance to meet some new faces at the Camp Australia table, not to mention get to paint them! I’m sure a lot of you would have seen the children running around sporting their designs and it really was my pleasure to be here as a part of the school community.
We have been very busy little campers at the centre with lots of activities and games being added on a regular basis. Our cooking week finished off really well with very full tummies all round and we definitely will continue this throughout the year.
Given the popularity of lego, zoob and straw connectors at the service it was no surprise when the following program by popular vote was for Construction and Better Building last week. This saw the children buddying up for a range of construction/building challenges that tested their creative and analytical thinking as well as problem solving, leadership and team work skills. We even built a garden diorama for our space which has really brightened up our room so be sure to come and have a look.
Last but not least I really have to give a BIG shout out to kindy student Samantha B. and her loyal team of builders especially Nathaniel H. for building the most amazing house out of straw connectors that I have ever seen. WOW! This thing had doorways, arches, towers and was so structurally sound it stayed up all weekend. Well done kids for your great team work, creativity and perseverance!
Hope you all have an amazing week and keep smiling!

Thank you. Isabel Veira (Coordinator)
