Dear Parents

Each year we ask you to sign a “general walking note” so the students can participate in class and school activities such as the local oval, local area study etc.

Please sign the note below and return to the School Office.

I give consent for my child to walk to a local excursion or sport activity.

Name of Child: __________________________________  Class: _________________

Name of parent/guardian ______________________________________

Signature:  _____________________________________

Date: ___________________________
